

3 1 0 0 3 A T M

Shown with optional High Topper

The model 3100 ATM from Tidel is engineered to provide a value priced, low-cost, high reliability cash dispenser. It includes a wealth of features that are usually available only in higher end models.

With it's UL vault, Tamper Resistant Encrypted Pin Pad (TREPP) and Triple DES compliance, the 3100 provides you with the security you have come to expect from Tidel ATMs.

The 3100 is a versatile platform that can be enhanced with Tidel's VIP (Value Improvement Package) option kit, improving its overall appearance and performance.
